

HONG KONG SPEECH FESTIVAL 2024 TRAINING COURSES NOW AVAILABLE!

Participating in speech festivals is a great way to boost your child's confidence in English and will provide long-term benefits for years to come. We now offer 8 weeks of speech festival training courses that cover all aspects of speech recital, including:

- Extensive training in the core skills needed
- Focus on facilitating students' understanding and interpretation of the set prose or poem
- Excellent coverage of tone, intonation, and pitch
- Special attention paid to dealing with pronunciation difficulties
- A comprehensive look at effective voice projection
- Presentation techniques and audience engagement strategies

These courses are taught by native English speakers with years of experience in teaching students for speech festivals. Empower your child! Give them the confidence to communicate with success and conviction by enrolling them in our speech festival courses!
